Product highlights

Vacuum drawer This multifunctional vacuum drawer offers you an optimal packaging method to be able to preserve, freeze or vacuum cook meat, fish and any other dish whose organoleptic qualities you wish to preserve.

Ref.: DWD4820B

Multifunction vacuum drawer In addition to the vacuum function, this drawer is equipped with LED lighting giving the interior space maximum visibility, two storage systems for food rolls and a digital kitchen scale for dividing dishes.

Vacuum drawer - Security This drawer has been designed to elegantly find its place in a column. Equipped with telescopic rails with integrated brakes, it opens and closes smoothly, without risking destabilizing its contents for greater ease and confidence in use.
