Product highlights

Professional vacuum drawer Inspired by the professional world, like its lifting platform for placing foodstuffs and vacuum-packing them, this drawer offers 3 pre-set cycles dedicated to marinating and maturing dishes, and vacuum-packing liquids.

Electronic control Its digital control panel gives access to programs and three pre-set cycles dedicated to marinating and maturing dishes to match starred recipes, and to vacuum packaging liquids.

Vacuum drawer - Security This drawer has been designed to elegantly find its place in a column. Equipped with telescopic rails with integrated brakes, it opens and closes smoothly, without risking destabilizing its contents for greater ease and confidence in use.
