## Washer dryer

Ref.: DWD485QJE

## Product highlights

**A-Class** With the best wash energy class on the market, this appliance reduces your energy consumption while guaranteeing perfect wash quality.

**Maxi opening** Equipped with a maxi porthole together with an extra large 33cm opening, your washer dryer will allow you to load and unload your laundry very easily.

**Energy/water efficiency indicator** 2 bars indicate the level of energy and water consumption according to the selected programme duration, temperature setting, spin speed and other options.

### FEATURES

|   |                 |
|---|-----------------|
| Colour  | White           |
| Porthole colour                               | White           |
| Construction type                             | Built-in        |
| Cotton reference load - Washing capacity (kg) | 8               |
| Cotton reference load - Drying capacity (kg)  | 5               |
| Max spin speed (rpm)                          | 1400            |
| Drum volume (L)                               | 58              |
| Drum material                                 | Stainless steel |
| Type of engine                                |                 |
| Automatic variable capacity                   | Yes             |
| Recirculation of water                        |                 |
| Detergent dispenser type                      | 3               |
| Porthole opening diameter (cm)                |                 |
| Opening angle (°C)                            |                 |
| Door opening                                  | Left            |
| Handle colour                                 | White           |
| Connectivity                                  | No              |

### PERFORMANCE

|   |     |
|---|-----|
| Energy efficiency class                                     | A   |
| Weighted consumption x 100 cycles (kWh)                     | 47  |
| Length of the ECO 40-60 programme at full load (min)        | 208 |
| Weighted water consumption - ECO 40-60 programme (L/cycle)  | 48  |
| Spin efficiency class                                       | B   |
| Noise level (dB (A))  | 75  |
| Sound level class when spinning                             | B   |
| Energy efficiency class - Wash and dry cycle                | E   |
| Weighted consumption x100 cycles (kWh) - Wash and dry cycle | 326 |
| Weighted water consumption - Wash and dry cycle (L/cycle)   | 80  |
| Length of wash and dry cycle at full load (min)             | 540 |

### GENERAL

|                 |               |
|-----------------|---------------|
| Brand           | DE DIETRICH   |
| Commercial code | DWD485QJE     |
| EAN code        | 3660767994102 |
| Customs code    | 84501190      |
